4. Proposition moved by Mr. Hays and 11 other members of the District Board.

"Long reports connected with different Departments, statements of Statistics and other detailed matters are not translated into Kannada and circulated before hand to the members of the Board, but are rushed through at the time of the meeting and the members feel that they are deprived of the facilities of previously studying the subjects and dealing with them satisfactorily. The President informs the Board that it is not possible with the present staff to translate, duplicate and to forward copies of these reports and statistics with copies of the agenda. It therefore appears absolutely necessary to appoint a clerk for this work.

Resolution.—Resolved that a Clerk (graduate) on Rs. 50 a month be appointed as designated Board Clerk and be required to do all translation and duplicating and meeting work.

Next meeting to be held on 12th January 1929.

B. A. RAHMON,
President, District Board.
